

## General information

### Time

Georgia Standard Time is four hours ahead of Coordinated Universal Time (UTC+4).

### Weather

Temperatures in early October range from 20 C (68 F) to 15 C (59 F).

For the latest weather forecast, visit:

<http://meteo.gov.ge/index.php?!=2&ct=1&cm>

### Currency

Georgia's national currency is the Georgian Lari. Please note that US Dollars are not accepted in Georgia.

### Electricity

Georgia uses 220 volts. Visitors from other countries that do not use 220 volts are advised to bring power adaptors/converters.

### Mobile phones

There are three main mobile service operators in Georgia. Consult the following websites for more information:

- Magticom: <https://www.magticom.ge/en/private/mobile/mobile-services/standart-tariffs>
- Silknet (formerly Geocell): <https://geocell.ge/en/private/services/tariffs>
- Beeline: <http://beeline.ge/en-us/tbilisi/customers/mobile/tariffs/index/localcalls/>

### Internet / Wi-Fi

There's free Wi-Fi available throughout the terminal to help you stay in touch. You will also have free internet access at the event venue.

You can also consider downloading Airalo application in advance, follow instructions and activate your E-sim upon arrival.

**Emergency numbers**

Dial **112** for any situation that requires emergency support, e.g., police, medical, fire response. The line operates 24 hours a day.
